

USATF Georgia proudly announces its 1st annual Boy's All-State team. There are over 20 different high schools represented on this 2012 team. The Georgia All-State team was chosen using a specific criterion. The first criteria used was the athletes performance at New Balance High School Nationals or the USATF South Zone meet. The athlete's Georgia state rank was also considered. Congratulations to the 2012 USATF Georgia Girls All-State team.
