

ST. CHRISTOPHER'S SCHOOL INDOOR TRACK & FIELD INVITATIONAL

FRIDAY, JANUARY 27, 2012
SATURDAY, JANUARY 28, 2012

Dear Coach,

Enclosed are instructions for on-line entries, directions, and an order of events with time schedule for the St. Christopher's School Indoor Track & Field Invitational to be held at St. Christopher's School in Richmond, Virginia on Friday, January 28, 2011 and Saturday, January 29, 2011. The field house at St. Christopher's School is a six-lane, 200m track with an encapsulated rubber surface. Spikes are acceptable but must be 1/4-inch or less. There is no food or drink allowed in the field house.

Entries for the 2012 St. Christopher's School Indoor Track & Field Invitational are to be submitted on-line at THE MILESPPLIT NETWORK (<http://va.milesplit.us/>). You may enter a maximum of two athletes per event by the deadline. THE DEADLINE FOR ENTRIES IS MIDNIGHT, MONDAY, JANUARY 23, 2011. There will be no additions, substitutions, or updates allowed after registration is closed.

We will accept a maximum of 50 boys' teams and 50 girls' teams. A team is entered when a check is received, and a coach has received an e-mail acknowledgment from the meet director. Once accepted, coaches will receive a password to access the online entry system. On-line entry will open on January 1, 2012. Verbal commitments are no guarantee that your team will have a place in this meet. Please send checks early to ensure your team has a spot in this meet. Entry lists/rankings will be posted by midnight on Tuesday, January 24, 2011 at Milestat.com. If there are any questions about entries please e-mail me at warem@stcva.org.

For all events, medals will be awarded to the top three places. Coaches or a designated team representative may collect medals after the results for an event have been posted.

Athletes entered in individual races must have achieved the minimum standard for that event. If they have a time/distance for that event from the current indoor season, that should be their entry time. If they have not achieved the minimum standard for an event in the current season, but did meet the standard the previous indoor season, then you may enter them with the time from that season. Please do not enter athletes in individual events with marks from outdoors. For seeding purposes, relay times must be from the current indoor season. **THE FASTEST SECTIONS WILL BE VERIFIED AND SEEDED WITH TIMES FROM THE CURRENT INDOOR SEASON ONLY. TRANSLATED: ONLY ATHLETES WITH QUALIFYING MARKS FROM THE 2010-2011 INDOOR SEASON WILL BE IN THE FASTEST SECTIONS.** Relay splits are not acceptable marks in individual events. **Entered athletes who have not met the minimum standard for an individual event by the entry deadline will be scratched from that event.**

For clerical purposes, **all entries must be completed on-line by MIDNIGHT, MONDAY, JANUARY 24, 2011.** No additions or updated performances will be allowed beyond this date and time.

Fees are: \$30.00 per athlete up to 6 athletes. \$45.00 per relay team. \$200.00 per team/per gender (more than 6 athletes). **RELAYS ARE INCLUDED IN THE FULL TEAM COST.** Ex. For a team bringing a boys' team with three relays and a girls' team with three relays, the total cost would be \$400.00. **Please make checks payable to "St. Christopher's School" and send them to:**

CONDUCT OF THE MEET

- **Semi-finals and finals will be conducted in the 55m Hurdles and 55m Dash. The top 8 times for each event will qualify for the finals.**
- Finalists in the 55m Hurdles and 55m Dash will be seeded in lanes according to their qualifying times from the semi-finals.
- As the 200m is a nonstandard distance and not often run indoors, we will accept outdoor 200m times for seeding purposes.
- In the 300m, 500m, 1000m, 1600m, 3200m, and relays the games committee will seed sections and lanes on the basis of submitted and verified times. **All hand-times will be converted to FAT.**
- **Coaches and athletes, not currently competing in a field event, are not allowed to remain on the infield.** Coaches may escort runners to the bullpen, but must refrain from coaching as set forth in Rule 4, Section 5, Article 8 of the National Federation Rule Book.
- If a fall occurs on the first curve of any of the races, the race is to be called back, unless run in individual lanes.
- Competitors will be asked to report to their event approximately 20 minutes before their event is to be run. They will be assigned numbers, which should be worn and visible on the left hip. Shirts must be tucked in so that hip numbers are visible.
- **All coaches with athletes participating in the pole vault will be asked to sign a card that attests to the fact that the competitor is on a pole that is manufactured at the proper weight for the competitor.**
- Contestants in the jumps, vault, and shot put must report to the judge of the individual event 20 minutes prior to the time for the start of the event. Failure to report will result in an automatic scratch.
- An athlete taking part in more than one of the events that are being run simultaneously, will have to move with reasonable speed from one event to another. The speed will be determined by the decision of the judges of the events and explained to the competitors before the event begins. No event should be delayed because an athlete is not present to take his or her try by the time all others in his or her group have completed their tries.
- The boys' high jump will start at 5-8 and will progress 2 inches to 6-8, and then one inch to the finish, subject to peculiarities of the equipment which may cause the judge to modify the rule. The girls' high jump will start at 4-8, and will progress 2 inches to 5-8, and then one inch to the finish, subject to peculiarities of the equipment which may cause

the judge to modify the rule. An excused athlete may reenter the high jump but will have to reenter at the current height of the bar if the official has determined that a reasonable time has passed before raising the bar.

- The pole vault will start at 11-6 for the boys and 8-6 for the girls. For the boys, the height of the bar will progress 6 inches to 15-0, and then 3 inches to the finish, subject to peculiarities of the equipment. For the girls, the height of the bar will progress 6 inches to 12-0 and then 3 inches to the finish, subject to the peculiarities of the equipment. All athletes are required to use poles specifically designed to carry their weight. Vaulters using a light pole will be disqualified. An excused athlete may reenter the pole vault but will have to reenter at the current height of the bar if the official has determined that a reasonable time has passed before raising the bar.
- Shot puts will be weighed. Any shot put found to be underweight will be confiscated and can be picked up by a team coach after the conclusion of the event.
- Meet management reserves the right to require teams to use equipment provided with the exception of the vaulting pole provided by meet management.
- **In the long jump, the first legal jump for all competitors will be measured and recorded. After that, a minimum jump of 19-0 for the boys' long jump and 14-0 for the girls' long jump will be necessary to be measured as an official jump. Any jump that does not make the mark after the first legal jump will count as an unmeasured foul. *Please note that the long jump boards are 6-0 and 12-0 from the pit.***
- **In the triple jump, the first legal jump for all competitors will be measured and recorded. After that, a minimum jump of 38-0 for the boys' triple jump and 30-0 for the girls' triple jump will be necessary to be measured as an official jump. Any jump that does not make the mark after the first legal jump will count as an unmeasured foul. *Please note that the triple jump boards are 24-0, 30-0 and 36-0 from the pit.***
- **In the shot put, the first legal throw for all competitors will be measured and recorded. After that, a minimum throw of 40-0 for the boys' shot put and 25-0 for the girls' shot put will be necessary to count as an official throw. Any throw that does not make the mark will count as an unmeasured foul.**
- The meet will run according to the schedule and will get no further ahead than fifteen minutes unless weather conditions make it necessary to adopt a rolling schedule.
