## Sectional Notes (2015)

**Parking:** Parking for buses will be in the area behind the visitors side of the stadium

**School Area:** Our school will be in session on Friday. Please do not allow your athletes to go into the high school area.

**Track Area:** Only coaches and athletes competing or about to compete in an event should be inside the track area once the meet starts. Wristbands and coaching passes will be required to gain access to the track.

**Warm-Up:** Warm-up outside the track area or inside the flagged area on the football field.

**Language:** Any profanity by athletes will result in disqualification from the event.

**Uniforms:** Athletes must meet uniform rules. Please make sure your relay teams are legal.

**Familiarity of Event:** Please do not enter athletes in events they have not trained for, particularly pole vault and high jump. This is for their own safety.

**Pole Vault and Implement Checks:** All vaulters will be weighed prior to their event. Vaulters will only be allowed to use poles rated for their weight. Implements will be weighed prior to event each day.

**Checking in Event:** PLEASE make sure your athletes check in at events on time. Running events take precedent, but they will still need to check in at field events if they have one at the same time. This is very important. WE WILL NOT ADD THEM LATE.

**Zone Judges:** We will need to assign coaches to assist as judges for the 4X100 relays.

**Field Events:** Qualifying standards are listed below. In all horizontal and throwing events, athletes will receive three attempts with top 9 advancing to finals. The first legal attempt will receive a mark.
