VERY IMPORTANT NOTICE

The Camden County Meet will again run under a new format this year.

All running events of 400m and longer will be run as “blended” or “HOT HEAT” races (fastest heat always runs last).

(400m, 400m IH, 800m, 1600m, & 3200m)

The 100m, High Hurdles, 200m, & the 4x400m relay will not change.

Simply, this means that the best competitors from both divisions will be running head to head by putting the best (and lesser) athletes in the county against each other in a championship setting.

This WILL NOT effect the team scoring. The recorder at the table will sort out the winners and place holders BY DIVISION and award the appropriate points and medals to each team within the correct division.

The Long Jump and the Triple Jump will be held as OPEN PITS.

Boys Triple Jump (both divisions) Girls Long Jump (both divisions)

9:00am – 11:00am

Boys Long Jump (both divisions) Girls Triple Jump (both divisions)

11:30am – 1:30pm

Field events,

Shot Put, Discus, Javelin, Long Jump, & Triple Jump

Wheelchair will compete same time during field events

Will be held with FOUR (4) throws per competitor...NO FINALS!

The Pole Vault and High Jump will “blend” Boys together from both divisions and will also “blend” Girls together from both divisions.

The intent behind this is to provide the best competition possible and keep the meet moving along smoothly.
