2012 Blue Streak Relays **Saturday, May 5, 2012 at Manheim Township High School**

This letter is an invitation to the eighteenth annual Blue Streak Relays. This year's meet will be held on Saturday, May 5, 2012 with the field events starting at 9:00am and the track events at 9:30am. The Manheim Township Booster Club is again sponsoring the relays, and we look forward to your participation.

Our stadium and track consist of an 8-lane polyurethane track and jumping surfaces/runways. **ONLY 1/8" SPIKES ARE PERMITTED ON THE ALL-WEATHER SURFACES.** The shot and discus circles are concrete while the javelin runway is grass. All of the throwing event areas are on the west end (scoreboard) of the stadium. The shot is next to the home stands, the javelin is behind the scoreboard and the discus is just outside the stadium fence west of the javelin area. The horizontal jumps are west of the visitor's stands and we use separate vaulting pits to run the boys and girls pole vault at the same time.

All track events will be run as finals, with places determined on time. A tentative time schedule of the events is included with this mailing. All running event relays will consist of 4 person relays. All throwing events and horizontal jumps will consist of 2 person relays, with places determined by adding together the best distance of each person. Each athlete will be given 3 trials. The pole vault and high jump will also consist of 2 person relays, with places determined by adding together the best heights of each person. Starting heights will be: girls' high jump 4' 4"; boys' high jump 5' 4"; girls' pole vault 7' 0" and boys' pole vault 9' 6". Medals will be awarded to the top 6 places in each event.

Enclosed you will find an entry form for the Blue Streak Relays. If you plan to participate, please return this form signed by the track coach and the athletic director. The entry fee for 2012 is \$125.00 per boys or girls team. Schools entering both a girls and boys team should submit an entry fee of \$250.00. This year we have added a pay per relay option if you do not have a full team to bring to the event. Schools may enter individual events using the following payment fee: \$25.00 for each track event relay and \$15.00 for each field event relay. Checks should be made payable to the **Manheim Township Booster Club**. Please return your entry form and entry fee by March 28, 2012 to Mark Linn, Meet Director at the address above.

Event entry forms and further details will be mailed to participating schools at the beginning of April. Best wishes for a successful spring season. We look forward to your participation on May 5th.

Sincerely,

Mark Linn, Meet Director
