

December 13, 2013

Dear Coach,

We are extending an invitation to your track and field team(s) to compete at the 4th Annual Twin Valley Raider Invitational on **Thursday, April 17, 2014**. We are excited to offer a **Thursday** evening invitational **under the lights** to Berks County and the surrounding areas. We decided to use the Thursday evening this year due to the fact that it is Easter weekend. This should enable you and your team to compete at an excellent invitational, yet still enjoy the holiday. The meet will be held at Twin Valley High School Stadium, which features a **complete 8 lane track** with an excellent surface.

We are confident that we will once again host an efficient, exciting, and fast invitational. The invitational has been a great success over the past three years. The atmosphere created by hosting a meet under the lights will encourage your athletes to perform at their best. Once again, every effort will be made to keep the meet flowing and on schedule. **Note...we will start the track events 30 minutes behind the start of the field events once again this year in order to start on schedule yet still allow scratches.** It should be a great night for athletes, coaches, and spectators. Remind the families of your athletes how good the food was the last two years...it will be back.

If you are interested in competing, contact us as soon as possible, because **we will limit the amount of teams invited** to ensure a quality, well-run invitational. Please respond as soon as possible using the intention form below or respond via email with all pertinent information included. **Payment deadline is Friday, April 4, 2014.**

You will find all the important invitational information on the following pages. Feel free to e-mail any questions to rwaltermyer@tvsd.org or contact me on my cell phone at 610-772-0838.

Sincerely,

Ryan Waltermyer
