Football Field & Track

Runners are to gather at the high jump area near the score board before their race. The starter will call the runners to the start line after giving any final instructions. The track and football field is off limits to spectators! Runners may use the field for a final warm up.

Restrooms

Restrooms are located near the pool (map http://cache.milesplit.com/user_files/5916/map_parking.pdf) and next to the concession stand. Please encourage your team and fans to use the restrooms next to concession stand for emergencies. Despite three "fixes" of the plumbing problems, those restrooms back-up easily.

Course

The course is three loops that starts on the football field north end zone and finishes on the track. The course is on grass except for very short road crossing. Most of the course is viewable from the home stands of the football field. A map is available on the meet's Flrunners.com page or at this link http://cache.milesplit.com/user_files/5916/2012_tps_5k_course_map.pdf (The course no longer runs behind the tennis courts)

Bus Drop-off and Parking

Hubbard Field Way will be closed to all traffic from the parking lot to the track. The drop-off for busses is in front of the Athletic Center. Bus parking will be in the last row of the parking lot. (map: http://cache.milesplit.com/user_files/5916/map_parking.pdf)

Rosters

Check your team's roster enclosed in your packet and report additions/deletions/corrections to the timer promptly.

Team Tents

Team tent areas are in the field behind the stadium, and in the field between the baseball/softball fields and stadium. You may also set up a tent in either the home or the visitor's bleachers.

Trash

Please put all trash in containers around the stadium. If you need a trash bag, all containers have a liner tied to a handle.
