General Meet Information for High School Teams

This meet is named after a former Blue Ridge runner named Shane C. Morris who graduated in 2006. His life tragically ended due to an accident on a four-wheeler. He was an awesome kid who possessed all the qualities we as coaches hope our athletes will someday acquire. We chose to name our meet after him to honor all that he stood for and the contributions he made to our team and school. His family has been present at every meet handing out water bottles and/or fruit to athletes after they cross the finish line.

A couple of specific items worth mentioning:

1. Submit your entries on www.athletic.net by Sept. 17. Give me a call if you have any trouble with the site.
2. Have the buses drop athletes off at the south entrance (near the starting line on the softball fields) and then proceed to a parking area by the playground at the north entrance. We will reserve the south parking lot for spectators.
3. There is a parade between 9:30 and 11:30 a.m. The main road will be blocked from the west (Show Low) until the parade is finished. If you are approaching the park from the west, I would highly recommend arriving at the park before 9:30 for the junior high teams and after 12 for the high school teams. If you are approaching from the east (passing Hondah Casino), you won't be affected.
