

Since its inception in 1927, the **West Coast Relays** has been one of the most exciting meets in track and field history. With a world class track (Mondo) in place the meet should provide fast times. Last year fifty two schools were represented totaling over 700 athletes; this year's meet promises to be the same. On Saturday, March 31, 2012 at Buchanan High School the tradition of the **West Coast Relays** carries on. Finishlynx timing will be used for all running events. Three levels of competition (invitational, seeded and open) provide true excitement in all events. **The West Coast Relays is the same site as the 2012, 2013 and**

2014 State Track & Field Championship.
