

2011 Boys & Girls NJSIAA/*Star-Ledger*/M-F Athletic Outdoor Track Championships

TO: ATHLETIC DIRECTORS AND TRACK COACHES

Throughout the entire season, dual meet scores must be reported following each meet, to www.njschoolsports.com. If you do not know your school code, or encounter problems, please contact support@njschoolsports.com or the NJSIAA.

The NJSIAA extends a most cordial invitation to you and your school to participate in the 2011 Boys & Girls NJSIAA/*The Star-Ledger*/M-F Athletic Outdoor Track Championship program. Attached are the instructions and entry forms for your school.

PLEASE READ THE INSTRUCTIONS CAREFULLY, and keep them on hand for reference throughout the meet period. The success of the Track Program is dependent upon the complete cooperation of our member schools. IF AFTER READING THIS MATERIAL YOU HAVE ANY QUESTIONS, PLEASE CONTACT YOUR SECTIONAL MEET DIRECTOR OR THE STATE CHAMPIONSHIP DIRECTOR AS LISTED.

To promote fairness in competition and the health and safety of student athletes, no NJSIAA member school will be eligible to participate in any NJSIAA Championship Tournament if it has violated the Specific Sports Regulations for the sport including, but not limited to, the start of practice, the start and ending of the sport season and the maximum contests permitted during the regular season. The application of this eligibility standard is non-appealable.

SPECIFIC SPORTS REGULATIONS (found in the *New Jersey State Interscholastic Athletic Association Handbook 2010-2011 Constitution, Bylaws, and Rules & Regulations*)

RULE 21. OUTDOOR TRACK

Section 1. Rules. The National Federation Track and Field Rules, unless herein modified, shall govern all NJSIAA ... outdoor Track meets.

Section 2. Start of Practice. First Friday of March (March 4, 2011)

Section 3. Start of Regular Schedule. April 1

Section 4. End of Season. As provided for in Rule 2, Section 10

[All teams may participate in interscholastic contests up to the final championship in their respective sports. Exceptions: Winter Track – Feb 28 (Golf will be up to and including the Friday before the NJSIAA championships in softball and baseball.) Individual competition shall terminate with the end of said competition.]

Section 5. Transfers on or after May 1, 2011 are not eligible for post-season play. (See Article IV, Section 4.K. (2). d.

Section 6. Meets Per Day. A competitor shall not compete in more than one meet during the same calendar day.

*CL When there are multiple divisions in a meet on the same day at the same site, e.g., freshman, junior varsity, and/or varsity divisions, an athlete may compete in each of the divisions if the contestant does not violate the **National Federation Participation Rule**, which limits the number of events in which a contestant may compete in a given meet, provided that the contestant does not compete more than once in the same event on that date.*

Section 7. Meets Per Week. A student shall be permitted to participate in a maximum of three (3) meets per week (including scrimmages as provided for in Rule 2, Section 7, Article 2, and sanctioned and championship invitational meets). During the season, team members who compete in outside meets **with the approval of the school** remain eligible for NJSIAA competition; **such meets to be counted as part of the maximum three (3) per week.** Under no circumstances may a student compete on three (3) consecutive days even when a postponed meet is worked into the schedule. (National Federation approved meets are exceptions to this rule.)

Section 7. Postponed Meets. One (1) postponed meet per week may be worked into the schedule, but under no circumstances may a student compete on three (3) consecutive days.

Section 8. Officials. II. **Sectionals** - Entry must be postmarked by May 6. **Rosters are due by 5:00 pm on May 6, 2011.**

- A. Date and Time – Friday, MAY 27, 2011 – 4:00 pm
Saturday, MAY 28, 2011 – **10:00 am**

B. Girls start the order of events on even years, boys on odd years.

C. If Fully-Automatic Timing is being used, the 100 Dash, Hurdles, and 200 Dash will be conducted as Trials and Finals only (i.e. no quarterfinals, semifinals). The fastest times (6 on a six-lane track, 8 on an eight-lane track) will advance. However, the 100 and hurdles will be seeded as if advancing by place in case of F.A.T. failure. In the absence of F.A.T., these events will use quarterfinals and/or semifinals if necessary.

D. RULES – 2011 National Federation Track and Field Rules with NJSIAA options as stated in the NJSIAA Constitution and By-laws shall govern the running of these meets. All NJSIAA eligibility rules will be in force.

E. Long Jump and Triple Jump will use the “open pit” format

NOTE: The triple jump and long jump will be run as open pits one group at a time at the SECTIONAL LEVEL. When the event is called, contestants for the Group called MUST sign it and must get “their steps and run-throughs.” Once the competition starts, only run-backs (from the board back onto the runway) are permitted. No “run-throughs” (into the pit) are permitted. When the pit is closed, the jump judge will tell the meet director how many jumpers will be competing. The meet director, in conjunction with the Field Referee, will then establish the amount of time that will be allotted for the trials. Each jumper will receive three trial attempts which must be completed within the announced time period of the open pit. The jump judge will assign each jumper a number which the jumper must wear on the **left front** of his/her jersey. Before a jumper starts his/her attempt, he/she must tell the jump judge his/her number and in the case of the triple jump, tell the judge which take-off board he/she will be using BY PLACING A CONE NEXT TO THE APPROPRIATE TAKE-OFF BOARD.

Once the eight (8) finalists have been established, the Field Referee will have announced who the finalists are and when the finals will begin. The finals will be conducted normally. The Meet Director and/or Field Referee may adjust the time allotted for the trials as conditions may warrant.

F. Shot Put, Discus, Javelin

1. Flights will be arranged as heats are on the track, i.e. best flights will throw/jump last. In the Shot, Discus, and Javelin, each contestant will receive three (3) attempts. The best eight (8) contestants will be given an additional three (3) attempts. The eight (8) finalists will be re-seeded worst to best before the start of the final three (3) attempts.
2. **In entry-level meets, all contestants will have their first legal attempt measured; thereafter, in order for a female contestant to receive a measurement at entry meet level she must put the shot 26 feet or more, throw the discus 70 feet or more, toss the javelin 70 feet or more, jump 26 feet or more in the triple jump, or jump 12 feet or more in the long jump.**

A male contestant must put the shot greater than 38', toss the discus and throw the javelin more than 100 feet, triple jump more than 32', and long jump greater than 16' in order to receive a measurement.

3. In the Group Meet all contestants will have all attempts measured

G. Time excused from a field event to participate in another event. The underlying principle behind these procedures is to make sure the active contestants in any field event are not held up more than ten (10) minutes by inactivity in the event. **The following is the procedure to be used in all meets:**

1. Competitor must receive permission to leave the event from the event judge who is to record the time the competitor was excused.
2. If requested by the competitor or the competitor's coach, the judge may allow the competitor to take trial(s) out of turn before being excused.
3. High Jump and Pole Vault: When competitors have been excused, and all the available competitors have missed or cleared the existing height, the event judge records the time and stops the competition. If the excused competitor(s) do(es) not return in ten (10) minutes, the event judge will ask the Meet or Field Referee for permission to raise the crossbar. If the referee permits, the crossbar will be raised to the next height and the excused competitor(s) will be automatically passed to the new height.

4. Shot, Discus, Javelin, Long Jump, Triple Jump: When the last competitor available in the final flight (**or in the case of the Long Jump and Triple Jump the open pit time has expired**) has completed his/her final trial attempt and there are excused competitors who have yet to return to complete their remaining trial attempts, the judge will record the time. If, after ten (10) minutes, there are excused competitors who still have not returned, then the event judge will ask the Meet or Field Referee for permission to determine the finalists without the excused athletes receiving any remaining attempts. If the event is in the finals and all present competitors have completed all of their attempts, after ten (10) minutes, the event judge will ask the Meet or Field Referee for permission to end the event and score it without the excused competitor(s) receiving any remaining attempts.
- 5 The Meet Referee will make the final determination on any appeals resulting from these procedures.

H. ELEVATION OF CROSSBARS

At the Sectional Level, starting heights for the high jump and pole vault will be determined by the meet directors in conjunction with the Meet and/or Field Referee(s), depending on the information supplied by the coaches on the seed cards. They will also determine how many double elevations, if any, there will be in each event.

K. CONTESTANT NUMBERS - ALL MEETS

1. A different **computer NUMBER WILL BE ASSIGNED IN SECTIONAL AND GROUP MEETS to each athlete.**
2. These numbers must appear on all entry cards.
 - a. Running Event Cards: *Each contestant's computer number must appear on his/her seed card on the entry level. Cards completed by the coach for each event (individual and relay) will also become the NAME TAG to be worn on the FRONT of each runner. (ANCHOR RUNNER for a relay).*
3. **Seeding procedures** for the Sectional, the State Group Championships, and the State Championships have been established by the NJSIAA Outdoor Track Committee in cooperation with the Meet Directors. When an event has been declared closed, there will be no additions or re-seeding. In all meets (Sectional, Group Meets, and State Championships) the best seeded sections will run LAST. The best flights in the throwing events and the Long Jump and Triple Jump will throw/jump last, with the best eight (8) making it into the finals where they will be re-seeded and thrown/jumped in the order worst to best.
 - a. All runners must report to the clerk with a properly completed SEED CARD/NAME TAG and a PIN on the front of his/her jersey. After the clerks seed the event, the SEED CARD/NAME TAG will be returned to the runner who MUST pin it to the front of his/her jersey using the pre-punched holes in the card. Then the card will be removed from the front of the jersey by an official at the end of the race. Runners should be instructed that their cards must be turned in to an official at the end of a race, regardless of a runner's place in that race.
 - b. Coaches are to complete a SEED CARD/NAME TAG for the Relay and for each contestant in both field and running events and indicate the best time/height/distance for the current season. COACHES MUST BE PREPARED TO DOCUMENT THESE SEEDS UPON REQUEST (I. E. NEWSPAPER CLIPPINGS OR MEET RESULTS).
 - (i) The relay teams/contestants will present their SEED CARD/NAME TAGS to the clerk (or field event judge) when they check in for their events. Heats (or flights in field events) will be determined from these cards. **Be sure to list alternates on relay card in case team qualifies for the next round.**
 - (ii) If no time is provided on a SEED CARD/NAME TAG, the relay team/contestant will not be seeded. Seeding for semifinal heats will be determined by place in the trials, **if semi-finals** are being used. **Generally, where fully-automatic timing [F.A.T.] is available, ONLY TRIALS AND FINALS WILL BE RUN, OTHERWISE THERE COULD BE TRIALS, QUARTERFINALS, SEMIFINALS AND FINALS, depending on the number of entries. In these cases, advancement is determined by place only.**
 - (iii) **F.A.T. sites: Runners will advance on time. The 8 fastest (6 on a six-lane track) from the trials will advance to the finals.**
 - (iv) A new SEED CARD/NAME TAG is not needed in races having more than one round (trials, semi-finals, finals). The clerks will return the original card to the contestants each time they advance.
Once a contestant checks in, the contestant is considered to have competed, whether or not he/she has actually competed.
 - (v) IF SEED TIMES ARE NOT CONSISTENT WITH PERFORMANCES, THE REFEREE MAY DISQUALIFY THE COACH FROM THE MEET UNDER THE UNSPORTSMANLIKE CONDUCT RULE. This could require the coach to make an appearance before the NJSIAA Controversies Committee where additional penalties may be imposed.
4. The Relay Card must also contain the school code along with up to eight (8) computer numbers **and names** for the eight (8) entrants into the relay (four [4] running that day and up to four [4] alternates). On the entry level the runners listed in the first four positions of the 4x400m Relay card will be declared as the actual competitors when the relay team is checked in.
The alternates are listed primarily for use on the next level. However, there are circumstances, such as, but not limited to, a referee-ordered re-run or a recall of a race before the 100 meter mark is reached, where a coach may use an alternate (with the referee's permission) before the re-run or re-start of the same race. Under no circumstances may an alternate be used once the race is in progress.

If the relay team advances to the next round, any four (4) of the eight (8) names listed on the relay seed card may run in the relay. If alternates were not listed on the original seed card, substitutes will not be permitted in later rounds.

NOTE: Being listed as an alternate on the 4x400 relay card does NOT count as an event for the athlete. It counts as an event only if the athlete actually runs.

5. Field Event Cards. Names and computer numbers must appear on the field event cards along with seeding information.
6. Pole Vault Card. **THERE ARE SPECIAL CARDS FOR ALL FIELD EVENTS AND A REQUIRED POLE VAULT CERTIFICATION CARD.**

NOTE: *ONLY IF COACHES FILL OUT THE CARDS COMPLETELY, using the athlete's computer number, AND AS LEGIBLY AS POSSIBLE, will the Sectional Meets be able to supply full results of all events. FAILURE TO DO SO MAY RESULT IN THE CONTESTANT'S DISQUALIFICATION FROM THE EVENT.*

L. ELIMINATION OF EVENTS

The NJSIAA Track Committee reserves the right to eliminate any event, the running of which is not warranted by a sufficient number of entries.

M. OFFICIALS

All NJSIAA Sectional, State Group, and State Championship Directors will adhere to the Executive Committee policy of hiring only NJSIAA registered track officials for all positions of an officiating nature.

B. TO ADVANCE TO THE STATE GROUP CHAMPIONSHIPS

C. TO ADVANCE TO STATE CHAMPIONSHIPS

1. Contestants must qualify in the State Group Championships by placing in one of the first six (6) places in any event in their Group. All ties for Sixth (6th) Place will advance.
2. Six highest performances in each event (all ties will be broken using NFHS rules) will be advanced, taken from non-medal winners from all six groups (Public 1, 2, 3, and 4, Non-Public A and B) combined.
3. NO APPEALS WILL BE CONSIDERED PRIOR TO THE MEET FOR ADVANCEMENT TO THE STATE CHAMPIONSHIPS IN ANY EVENT
4. **To enter the 4x100 and/or 4x800** – Coach must complete Special Relay Entry Form (attached) and submit it to his/her Sectional Director before the end of the Sectional Championships **JUNE 3** and **JUNE 4**. A contestant qualifying in more than one (1) event is not subject to this rule if he/she participates in at least one (1) event.

NOTE: FAILURE TO BE PRESENT AT THE TIME THE EVENT IS CALLED DUE TO TRANSPORTATION PROBLEMS, MISUNDERSTANDING OF INSTRUCTIONS, TOURNAMENT REGULATIONS, OTHER SIMILAR EXCUSES, WILL RESULT IN DISQUALIFICATION.

VI. GENERAL INFORMATION FOR ALL MEETS

A. COACHES/CONTESTANTS

1. CONTESTANTS WHO APPEAR AT THE SECTIONAL, STATE GROUP, OR STATE CHAMPIONSHIPS WITHOUT THEIR COACH (OR CERTIFIED MEMBER OF THE FACULTY) WILL BE DISQUALIFIED.
2. PLEASE NOTE THAT THE TIME SCHEDULE IS A TENTATIVE ONE. IF THE MEET SHOULD RUN AHEAD OF SCHEDULE, THEN IT IS THE RESPONSIBILITY OF THE INDIVIDUAL COMPETING TO REPORT WHEN HIS/HER EVENT IS CALLED. ALL COACHES SHOULD ADVISE THEIR CONTESTANTS TO BE PRESENT AT LEAST ONE (1) HOUR BEFORE THEIR EVENTS ARE SCHEDULED.

B. COACHES' RESTRICTIONS (Coaches, please note.)

1. Coaches are not to enter upon the running area or the field event areas, during the course of the meet; and are not permitted to communicate with their contestants in these areas.
2. It is preferred that only contestants remain in the paddock area; however, if a runner is needed in a field event, a teammate, coach, or team manager may substitute for that runner so that the runner may leave to participate in a field event. This means that the "substitute" needs to remain in the paddock area to respond for the runner when the clerks call for that runner to give him/her his/her heat and lane assignments. The substitute's next responsibility is to transfer this information to the runner in a timely manner so that the runner knows where and when he/she will be running.
3. Where it is feasible, coaching "boxes" will be established for the Pole Vault, High, Jump and Triple Jump.

C. SMOKING, FOOD, BEVERAGES, RADIOS, VALUABLES, and PETS.

1. Schools must provide the necessary sustenance for a full day's activity since the meet authorities cannot assure refreshments will be available at any given site. However, all sites have provided concessions for the purchase of food and drink in the past. Please instruct contestants to use trash receptacles. **DO NOT LITTER.** The NJSIAA WILL NOT BE RESPONSIBLE FOR LOST OR STOLEN ARTICLES.
2. **RADIOS, TAPE RECORDERS, AND OTHER ELECTRONIC COMMUNICATING DEVICES ARE NOT PERMITTED AT ANY SITE. VIOLATORS MAY BE ASKED TO LEAVE AND THEIR TEAMS MAY BE DISQUALIFIED. CONTESTANTS VIOLATING THIS RULE WILL BE DISQUALIFIED.**
3. Please refrain from smoking in the stands and/or near athletes and encourage other spectators to do the same. Note: It is against New Jersey laws to smoke anywhere on school property.
4. **NO ANIMALS/PETS ALLOWED AT ANY MEET.**
5. Because of the potential safety hazards created by teams preparing hot food at their "campsites," there will be no cooking/preparing of hot food by anyone except official concessions at any site.
6. Where tents/tarps or other such protective devices are permitted to be deployed in the bleachers, **they shall be limited to the highest rows of the bleachers.** . Site managers may prohibit the use of these devices in bleachers.) Site managers have complete control over the use of tents and tarps in all other areas

D. ATHLETIC EMERGENCY PROCEDURE

1. Each school participating in the championship will provide for the care and treatment of their athletes within the school's policy as in effect during the regular season. The athletic emergency procedure of the host school will be in effect during the championship which will include the establishment of a line of communication for emergent situations.
2. Some sources of assistance that may be utilized when physicians are not available are certified athletic trainers, emergency medical technicians usually on emergency vehicles, ambulance vehicle with trained personnel, rescue vehicle with trained first-aid personnel and, in some areas, National Guard or Army Reserve Medical personnel assigned to ambulance duty. Schools may also have other school personnel qualified in first-aid, who may be available for duty during activities.
 - a. Recommended procedures that may be followed in successful emergency care are:
 - (1) Immediate, on the spot first-aid by and individual with adequate training.
 - (2) Communication System: An available, non-pay telephone with an outside line to contact a physician or ambulance service. Arrangements should be made in advance to insure availability
 - (3) Emergency care facility: Arrangements should be made, in advance, with staff personnel of local hospital or clinic to notify, in case of emergency, that emergency service is necessary.
 - (4) Notification: The facility to which the injured player is being transported should be immediately informed of the injured player's status. Necessary personnel and equipment should be available in the facility or physicians, on call, could be notified of the emergency.
 - (5) Transportation: Ambulance, emergency vehicle, first-aid vehicle or rescue vehicle, with appropriate equipment and personnel may be parked at the field or game site. If this procedure is not feasible, prior arrangements should be made to have equipment on call when an emergency develops. Again, an available, non-pay telephone with an outside line should be immediately available.
 - (6) Communities without physicians, medical clinics, or hospital service should complete arrangements with medical personnel and hospital facilities in the nearest community where such services are available.
 - b. The plan of action specified above should be carefully covered, in advance, with responsibilities of all concerned – trainer, coach, vehicle personnel, school administrators, local police, deputies, or constables – defined. When an emergency does occur, everyone involved can function as an informed, effective team.
 - c. Local plans of action to meet emergency situations will vary depending on availability of medical personnel and facilities, the location of the playing field or site and communications. In all cases, the emergency situation plan is best developed through cooperative action of local school personnel, participating professional medical staff and allied groups.

3. **ATTENTION:** Principals, Athletic Directors, All Coaches and Officials

RE: **Recommended Precautions Against The Transmission of Blood-Borne Pathogens**

- a. All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy.
- b. The Infectious Disease Policy provides that:
 - (1) If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel using soap and water.
 - (2) **Note:** If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

E. SALES/SOLICITATIONS

1. Only NJSIAA promotional items will be sold at NJSIAA sponsored events. For the 2010/11 seasons, Team IP is the designated vendor.
2. Solicitations, sale of publications or products, or similar activities are NOT permitted.
3. The New Jersey State Interscholastic Athletic Association is the sponsoring association for all levels of State Tournament/Championships. The NJSIAA reserves all rights in regard to the management of these Tournaments/Championships and any audio-visual reproductions. NJSIAA reserves all rights for the sale or distribution of any items. Any sale or distribution of clothing, souvenirs or any other items is strictly prohibited.

F. ALCOHOLIC BEVERAGES/ILLEGAL SUBSTANCES

1. Players and coaches involved with alcoholic beverages and/or illegal substances before, during or after the game, at the game site or on school property, including chartered busses, shall be suspended from NJSIAA tournament play for one year and be denied any championship rights.
2. This action was taken in support of the fact that such actions concerning alcoholic beverages and illegal substances are in violation of New Jersey State statutes and will be strictly enforced.

G. PROTESTS

1. All protests the day of the meet go to the referee first. If a coach still feels that the terms and conditions of competition or the application of rules have been misapplied or misinterpreted, a written appeal (on a form supplied by meet management) shall be made to the Jury of Appeals. This jury will consist of the Meet Director, Head Starter, Head Clerk and Head Umpire. Their decision will be final.
Reminder: Non-appealable situations:
 - a. Any judgment decision pertaining to violations or alleged violations of the rules
 - b. A decision made by the finish judges or timers that does not involve misapplication of a rule or the terms and conditions of competition.
 - c. Whether a start is fair and legal
2. All protests must be made within thirty (30) minutes of the conclusion of the last race of the session involving the protesting school. After this time period, protests based upon an official's judgment, or misapplication or misinterpretation of the playing rules will not be honored as per NJSIAA Bylaws, Article V2, Section 1.

H. DISQUALIFICATION

Participation by an ineligible contestant in any meet during the regular season results in forfeiture of all points achieved by the ineligible contestant. If such forfeiture would have caused the contestant's failure to qualify for the Championships, or if an ineligible contestant participates in a meet, said contestant will be disqualified from the Championships immediately and the next finisher will advance; contestants eliminated prior to the last meet will not re-enter the Championship competition.

I. USE OF FACILITIES

Coaches are asked to instruct contestants to exhibit due consideration to the officials and administrators at the meet site. Coaches must make it **ABSOLUTELY** clear that the school officials do not want athletes walking through the gym or hallways in spikes. Your contestants are asked to take shoes off before entering school facilities.

J. POSTPONEMENTS

In case of inclement weather the day of the meet coaches must contact their respective director(s) at least two (2) hours prior to the start of the meet.

K. Television/Cable/Internet

1. The NJSIAA has granted to *The Star-Ledger* and NJ.com the exclusive rights to create, distribute and license programming in connection with NJSIAA tournaments (and NJSIAA sporting events, to the extent the NJSIAA controls or otherwise has authority to grant such rights with regard to NJSIAA sporting events) in all media currently existing or yet to be developed. This includes, without limitation, network and cable television broadcast, pay-per-view television, radio, webcasting, podcasting, distribution over wireless telephone networks, optical media including DVD, and print publications. The foregoing shall not be interpreted to restrict NJSIAA member schools from producing print publications (i.e. programs, or similar) for distribution on school property during the regular season NJSIAA sports events, or to restrict the NJSIAA from producing print publications (i.e. programs, or similar) for distribution during post-season NJSIAA tournaments

2. Any third party seeking to create, distribute or otherwise exploit programming in connection with the NJSIAA sporting events in any media will be directed to The Star-Ledger and NJ.com, as applicable, by the NJSIAA or the applicable member school. The Star-Ledger and NJ.com shall have the right to enter into license arrangements with such third parties.
3. The Star-Ledger and NJ.com may create NJSIAA programming for distribution over media outlets owned or controlled by Advance Publications.
4. Notwithstanding anything herein to the contrary, including but not limited to Sections A and B above, NJSIAA member schools may broadcast regular season (but not playoff, post-season tournament, or championship) athletic contests involving such schools' own teams or athletes, without charging any fee to any viewer or other third party, on such schools' own commercial-free television networks, their own commercial-free websites, or on commercial-free public access television channels (provided that any agreement between an NJSIAA member school and a commercial-free public access television channel does not permit sublicense or other use of the telecast).
